

Chapter 31

Regulation of Amateur Radio Antenna Towers

Sections

16-31-010 Purpose

16-31-020 Definitions

16-31-030 Permitted Use Permit

16-31-040 Conditional Use Permit

16-31-010 Purpose: The purposes of this ordinance are as follows:

- a. To ensure that amateur radio antenna towers comply with Federal, State, and County regulations.
- b. Provide reasonable accommodation for amateur radio communications as directed by Utah Code 17-27-107 Annotated 1953.
- c. This ordinance shall supersede any ordinance or regulation to the contrary.

16-31-020 Definitions.

Tower – Amateur radio antenna tower structure greater than 35 feet used for amateur radio communications. Height of the telecommunication facilities shall be measured from the existing grade to the top of the antenna support structure or to the highest point of any portion of the telecommunications facility, whichever is greater.

16-31-030 Permitted Use Permit:

- a. Any request for an antenna tower differing from the standards allowed in this section will require a Conditional Use Permit.
- b. Towers less than 75 feet in height.
- c. Towers in this section a set back greater than the tower height is required.

16-31-040 Conditional Use Permit:

- a. Towers listed below shall require a conditional use permit.
- b. Towers less than 75 feet in height.
- c. For towers in this section the set back shall be per accessory structures in underlying zone district.
- d. Towers exceeding 75 feet in height must follow the site justification requirements and visual impact assessments outlined in section 10 of Morgan County Ordinance No. CO-01-06.
